

CORAL GROUP

Yuval Almog

Senior Managing Director
and Founder, Coral Group

yuval@coralgrp.com

612.335.8680

Since 1986, Yuval has been a venture capitalist with Coral and prior to that spent 14 years as an entrepreneur and operating manager. Yuval focuses on investments in the information technology, communications, systems and media content sectors. Yuval currently holds or has held board of director seats in media, software, communications, systems and internet related companies. His investment track record includes market leaders such as Advanced Fibre Corporation (acquired as a public company by Tellabs, Nasdaq: "TLAB"), Macromedia (acquired as a public company by Adobe, Nasdaq: "ADBE"), and Cerus (Nasdaq: CERS). Prior to joining the venture capital business, Yuval co-founded Zoran Corp. (Nasdaq: "ZRAN"), and was an executive with Raychem. He earned a B.A. and B.S. from the University of Alabama and a M.S. from the Massachusetts Institute of Technology.
